

TAKE CONTROL: BUILD FINANCIAL SECURITY

The Arc of Northern Virginia is offering a **FREE** 6 session financial education series that will help you take control of your finances and save for the future of your son or daughter with an intellectual and/or developmental disability (I/DD).

This financial education series will be presented with the Capital Area Asset Builders, an organization based in the greater Washington, D.C. area.

Participants will:

- ▶ Learn how to create a budget;
- ▶ Understand credit and debt;
- ▶ Navigate the disability benefits system in our state;
- ▶ Use ABL Accounts and Special Needs Trusts (SNTs) to build assets while maintaining benefit eligibility; and,
- ▶ Lay the foundation to secure a better financial future.

Eligible families must:

- ▶ Include a child with I/DD currently in the third grade or below
- ▶ Follow certain income requirements
